Job Safety and Health Protection

THE VIRGINIA OCCUPATIONAL SAFETY AND HEALTH (VOSH) LAW, BY AUTHORITY OF TITLE 40.1 OF THE LABOR LAWS OF VIRGINIA, PROVIDES JOB SAFETY AND HEALTH PROTECTION FOR WORKERS. THE PURPOSE OF THE LAW IS TO ASSURE SAFE AND HEALTHFUL WORKING CONDITIONS THROUGHOUT THE STATE. THE VIRGINIA SAFETY AND HEALTH CODES BOARD PROMULGATES AND ADOPTS JOB SAFETY AND HEALTH STANDARDS, AND EMPLOYERS AND EMPLOYEES ARE REQUIRED TO COMPLY WITH THESE STANDARDS. THESE STANDARDS MAY BE FOUND AT THE FOLLOWING WEB ADDRESS: http://www.doli.virginia.gov/doli_regulations/doli_regulations.html YOU MAY ALSO CONTACT THE DEPARTMENT OF LABOR AND INDUSTRY OFFICES LISTED BELOW TO RECEIVE PRINTED COPIES OF THE VIRGINIA UNIQUE STANDARDS AND OBTAIN THE NAMES OF PUBLISHERS OF THE FEDERAL IDENTICAL STANDARDS.

Employers

Each employer shall furnish to each of his employees employment and a place of employment free from recognized hazards that are causing or are likely to cause death or serious harm to his employees, and shall comply with occupational safety and health standards issued under the law.

Employees

Each employee shall comply with all occupational safety and health standards, rules, regulations and orders issued under the Law that apply to his own actions and conduct on the job.

Inspection

The Law requires that a representative of the employer and a representative authorized by the employees be given an opportunity to accompany the VOSH inspector for the purpose of aiding the inspection.

Where there is no authorized employee representative, the VOSH inspector must consult with a reasonable number of employees concerning safety and health conditions in the workplace.

Citation

If upon inspection VOSH believes an employer has violated the Law, a citation alleging such violations will be issued to the employer. Each citation will specify a time period within which the alleged violation must be corrected.

The VOSH citation must be prominently displayed at or near the place of alleged violation for three days or until the violation is corrected, whichever is later, to warn employees of dangers that may exist there.

Proposed Penalty

The Law provides for mandatory penalties against private sector employers of up to \$13,047 for each serious violation and for optional penalties of up to \$13,047 for each other-than-serious violation. Penalties of up to \$13,047 per day may be proposed for failure to correct violations within the proposed time period. Also, any employer who willfully or repeatedly violates the Law may be assessed penalties of up to \$130,463 for each such violation.

Public Sector employers, all departments, agencies, institutions or other political subdivisions of the Commonwealth, are subject to the penalty provisions of 16VAC 25-60-260.

Criminal penalties are also provided for in the Law. Any willful violation resulting in the death of an employee is punishable, upon conviction, by a fine of not more than \$70,000 or by imprisonment for not more than six months, or by both. Subsequent conviction of an employer after a first conviction doubles these maximum penalties.

Complaint

Employees or their representatives have the right to file a complaint with the nearest VOSH office requesting an inspection if they believe unsafe or unhealthy conditions exist in their workplace. VOSH will withhold, on request, names of employees filing complaints. Complaints may be made at the Department of Labor and Industry addresses shown below.

Discrimination

It is illegal to retaliate against an employee for using any of their right under the law, including raising a safety or health concern with the employer or VOSH, or reporting a work-related injury or illness.

An employee who believes they have been discriminated against for exercising their rights under the Law, may file a complaint with the Commissioner of the Virginia Department of Labor and Industry within 60 days of the alleged discrimination.

CASPA

Complaints About State Plan Administration: Any person may complain to the Regional Administrator of OSHA (address below) concerning the Administration of the State Safety and Health Program.

State Coverage

The VOSH program shall apply to all public and private sector businesses in the State except for Federal agencies, businesses under the Atomic Energy Act, railroad rolling stock and tracks, certain Federal enclaves, and businesses covered by the Federal Maritime jurisdiction.

Voluntary Activity

Voluntary efforts by the employer to assure its workplace is in compliance with the Law are encouraged. Voluntary Safety and Health Consultation and Training Programs exist to assist employers. These services may be obtained by contacting the Virginia Department of Labor and Industry addresses shown below.

Recordkeeping

Employers now have a new system for tracking workplace injuries and illnesses. OSHA's new recordkeeping log (Form 300) is simpler to understand and use. Using a question and answer format, the revised recordkeeping rule provides guidance for recording occupational injuries and illnesses and explains how to classify specific cases. Smaller employers (10 or fewer employees) are exempt from most requirements. To see if your industry is partially exempt, visit the OSHA Website at www.osha.gov/recordkeeping/pub3169text.html.

Accident Reporting

All fatalities must be reported to VOSH within eight (8) hours. All injuries or illnesses that result in an in-patient hospitalization, amputation or loss of an eye must be reported to VOSH within twenty-four (24) hours. Failure to report may result in significant monetary penalties.

NOTICE TO WORKERS

Every day many unemployed workers tell us that unemployment insurance is due them "because they have paid for it." This is not true in Virginia. There are no deductions from your paycheck for unemployment insurance. Employers' taxes are deposited in a trust fund from which unemployment insurance benefits are paid. Do not confuse unemployment insurance with Old Age and Survivors Insurance to which both you and your employer contribute.

YOU MAY APPLY FOR UNEMPLOYMENT INSURANCE BENEFITS IF:

- You are totally unemployed, or
- You are working at reduced wages and hours,

IF TOTALLY UNEMPLOYED, ON A TEMPORARY LAYOFF, OR IF WORKING REDUCED HOURS:

The first week you are unemployed, register for work, and file a claim for benefits. You can file your claim online at www.vec.virginia.gov or by calling our Customer Contact Center at 1-866-832-2363. If you are totally unemployed you must register for work online at www.vawc.virginia.gov.

TO BE ELIGIBLE FOR BENEFITS, THE LAW REQUIRES THAT YOU:

- File a claim with the Virginia Employment Commission.
- Have earned sufficient wages from employers who are subject to the Virginia Unemployment Compensation Act or any other State within your Base Period.
- Must be unemployed through no fault of your own.
- Must be able and available for work and making an active search for work.
- Continue to report as instructed by the Virginia Employment Commission.

You cannot be paid unemployment benefits until you have filed your claim and have met all of the eligibility requirements. To speed payment of benefits, you should file your claim as soon as you become unemployed or your hours are reduced. If you have any questions about your rights and responsibilities under the Virginia Unemployment Compensation Act, visit our website, www.vec.virginia.gov or call our Customer Contact Center at 1-866-832-2363.

THE LAW REQUIRES EMPLOYERS TO POST THIS NOTICE IN A PLACE VISIBLE TO ALL WORKERS.

An Equal Opportunity Employer/Program
Auxiliary aids and services are available upon request to individuals with disabilities.

WORKERS' COMPENSATION NOTICE

Form VWC1

The employees of this business are covered by the Virginia Workers' Compensation Act. In case of injury by accident or notice of an occupational disease:

THE EMPLOYEE SHOULD:

1. Immediately give notice to the employer, in writing, of the injury or occupational disease and the date of accident or notice of the occupational disease.
2. Promptly give to the employer and to the Virginia Workers' Compensation Commission notice of any claim for compensation for the period of disability beyond the seventh day after the accident. In case of fatal injuries, notice must be given by one or more dependents of the deceased or by a person in their behalf.
3. In case of failure to reach an agreement with the employer in regard to compensation under the act, file application with the Commission for a hearing within two years of the date of accidental injury or first communication of the diagnosis of an occupational disease.
4. If medical treatment is anticipated for more than two years from the date of the accident and no award has been entered, the employee should file a claim with the Commission within two years from the date of the accident.

NOTE: The employer's report of accident is not the filing of a claim for the employee. The voluntary payment of wages or compensation during disability, or of medical expenses, does not affect the running of the time limitation for filing claims. An award based on a voluntary agreement must be entered or a claim filed within two years; one year in death cases.

THE EMPLOYER SHOULD:

1. At the time of the accident, give the employee the names of at least three physicians from which the employee may select the treating physician.
2. Report the injury to the Commission through your carrier or directly to the Commission.
3. Accurately determine the employee's average weekly wage, including overtime, meals, uniforms, etc.

Questions may be answered by contacting the Commission. A booklet explaining the Workers' Compensation Act is available without cost from:
